Dear Janice Mooneyham:

Included in this fax are a list of new cross-references, a new sketch, and this fax cover reply to your non-final rejection.

From what I can determine your basis for rejection is technical.

I have determined your reasons for rejection on the sketches submitted as invalid. The sketches were not submitted on the date you listed as "Filed On." This will need to be corrected by your office.

Also, your included form PT0-948 is illegible. Please forward a legible copy of form PT0-948.

I will be correcting the drawings per the denotation of the drawing review. I will also be combatting your rejection and ~~the~~ will resubmit the claims 1-5.

Best wishes,

Wesley E. Kendall
